Anstria and Germany.

Anstria and Germany.

strong feeling against the Hohenzolleans. It raion on which its life and property de-From this it is argued that Germany would pends is at stake, doubles this, and so the From this it is argued that Germany would better not depend too confidently upon her sily. The tacls are, however, that the maintenance of the triple alliance is as much to Austria's interest as it is to Germany's, and that the German-speaking Austrians are not the element in the dual monarchy that dominate the policy of the monarchy. However much these may envy the position to which Prussia has attained, there sition to which Prussia has attained, there millions into the South, adding to the corruption funds of municipal and State factions until the ballot-box will be hopelessly nated to all other counderations. However rupt, and all the approaches thereto cormuch Austrian statesmen may sneer at the "upstart" Homewhollenn, the Magyar will decide what shall be the relations between Austro-Hungary and the German empire. On this point Hungary has spoken more than | lated in Hichmond to obtain the signatures once in unmistakable terms, and the Vienns of men engaged in the tobacco trade: Court has never failed to give ear and obes. To the Honorable Senate and House of Rep-In the present condition of affairs in Europe | Austria could not afford to attempt to stand Austras could not afford to attempt to stand stone. The only Powers outside of the triple silance that would offer her a union are France and Russia. With the former she could not unite without arousing Germany of the internal revenue taxes in your hody—

"The Democrats shall not be permitted to means the taking away of bread from hun were permitted to break it down by force of arms. Crimes against the bailot-box will be put down by the same military power that crushed the life out of the receition. The best war will not be begun by the bouth. It will come from the North. The clash of resounding arms that will next be heard will come from the wespons of hundreds of thought of loyal northern men who will not permit the stealing of their hundreds. permit the steming of their birtaright.

"Let the Democrats look to it that they bonerable bedy. save the country from a war that will surely follow the theft of the House of Representa-

Its outrages upon the negro voter have been tolerated too long; but they will not be permitted to change the political complexion of the popular branch of Congress. Let the Democrate keep their foul hands off the sacred institutions of the nation."

In the war of 1801/20 the neglect nearly record.

In the war of 1861-'65 the northern people were united against the South. Could they be united in a war upon the Democratic party, which contains a majority of the not and is not used as an adjective, however, white men even in the North? Hardly. A war but as a noun. A tacky is the reverse of a for the Union is one thing. A war to destroy dude. The savages in California have from

the tariff in any manner without the consent
of a Republican President, shall we maintain
by our action that the principle of tariff redanger and threatensy? by our action that the principle of tariff reform "goes before the preservation of States
and governments"?

Let the reader ponder this matter carefully
be won by argument, for it is without into:

Inne

Austria and Germany.

The rather cold reception accorded in Vienea to Emperor William by the Germanspeaking Austrians is held by some to indicate a rupture of the triple alliance in the
not distant future. There can be no question that German Austria has not forgotten
Sadowa, which santched from the House of
Hapshurg the possibility of becoming the
head of the German empire, nor can it be
denied that among Austrian statesmen
of weight and prominence there is
sirong feeling against the Housezollerns.

Behold the picture! Is it not a true one? The Tobacco Tax.

The following petition is soon to be circu-

gress assembled : and offending Italy, and that would be de- looking to an abolishment or reduction of eidedly dangerous. With the latter she dare not unite. The Magyar not only hates the Russian with an undying hatred, but Russian with an undying hatred, but to him an altiance of Austria with Russia would be to impart a dangerous vitality to Pan-Siavism, the foe dreaded above all others by the Hungarians. It would therefore appear that considerations of safety, interest, and the dominant influence of the Magyar in the monarchy have bound Austria to Germany with bonds which it will take something a great deal more potent than jeaiousy, envy, and the humiliation of Badowa to break.

Hold Him.

The New York Mail and Express has reised its voice for war. It says:

"The Democrais shall not be permitted to the same shall not be permitted to the same shall not be permitted to the same and suffering that is tell in the homes of the factory hands, where the shutting down of the factory mands, where the shutting down of the factory mands.

No reduction of the tax can ever give quiet i

The latest slang is "tacky." Whence it comes and why it is here no one knows, but "tacky" is with us. Young ladies speak of "the tacklest young man." and Adolphus of his "tacky girl."—San Francisco Alla.

That is a good old Virginia word. It has been familiar to us for forty years. It was some old Virginian learned this word without learning its meaning.

Mr. Harrison promises much, but the | The Democratic State Committee of West record of his public life tells us that he is no Virginia has sent out a strong appeal to the better than his party. Whatever hills Con- people to stand up for Judge Flexing and gress may pass for a new reconstruction of not allow him to be cheated out of his office the South will be signed by him.
